**Day 24 of a 66-day, 55 stop cross continent voyage  
in a car dressed like a Shriner Fez**

**Cornwall, Ontario – Friday June 6, 2014:** The Shriners Hospitals for Children®–Canada has launched the Exceptional Care Odyssey a coast-to-coast car trip in a Ford Explorer dressed like a Shriner’s Fez, tassel and all. The goal of this voyage is to celebrate the construction of the new Canada Shriners Hospital, which provides orthopedic care to children from across Canada, the northeastern United States and around the world. We are bone specialists treating infants, children and teens for conditions like scoliosis, brittle bone disease, club feet and hip dysplasia.

Another goal of the Odyssey is to recognize the hardworking members of the Shriners fraternity who founded the hospital in 1925. We would like to publically acknowledging their assistance with transportation for patients and families and their volunteer efforts on the hospital board. It also gives us a chance to thank them for their contributions to the ongoing *Exceptional Care for Exceptional Kids Capital Campaign* by publicly recognizing each club’s donation. Without their fundraising efforts the new hospital would be a dream rather than a reality.

It’s summer (nearly) and the living is easy. Join members of the Karnak Shrine Centre and members of the Shriners Hospital for Children-Canada for a free BBQ by the water. The kids can put together and take home a toy in the Mega Bloks play area. Come enjoy a burger and slap a bumper sticker on the Fez Mobile.

DAY 24: Cornwall, Ontario  
EVENT: Free Community BBQ  
START TIME: Saturday June 7 from noon to 4 p.m.  
LOCATION: R C A F Association Wing 424 - 240 Water W  
FOR INFO: (613) 932-5334

**Thank you to our sponsors**

The Exceptional Care Odyssey, which is made possible thanks to the support of the Shrine Fraternity, Cam Clark Ford, MEGA Brands and the Air Canada Foundation, was launched on May 13. A red Ford Explorer decorated like a Shriner's Fez, tassel and all, left from Shriners Hospital for Children-Canada it travelling from Atlantic
